The image is a composite of three photographs. The top photograph shows a group of people in a green field, some sitting on mats. The middle photograph shows a room with large windows and a purple wall. The bottom photograph shows a room with large floor murals of a person performing yoga and a tennis player.

A photograph of a person performing a complex backbend or inverted pose, likely a variation of Salamba Sarvangasana (Supported Shoulder Stand). The person is wearing a white tank top and patterned shorts. The background is a solid blue color.
